

ADITI KODANDE

Email:aditikodande9@gmail.com | Ph.no: 9404009836 | Address: Nanded,Maharashtra | LinkedIn:www.linkedin.com/in/aditi-kodande

OBJECTIVE: Highly motivated final-year BTech Computer Science student seeking an opportunity to apply programming, problem-solving, and analytical skills in a dynamic work environment to contribute to innovative projects and gain hands-on experience.

EDUCATION:

PROGRAM	EDUCATIONAL INSTITUTE	CGPA	YEAR OF PASSING
B.TECH in computer science	RGUKT(IIIT-BASAR)	8.4	2025
Pre University Course	RGUKT(IIIT-BASAR)	8.9	2021
SSC	Pratibha Niketan Hlghschool,Nanded	9.7	2019

SKILLS:

TECHNICAL SKILLS-

- **Programming languages:** Java,C,C++, Python(Intermediate).
- **Front-end Technologies:** HTML,CSS,Javascript(intermediate).
- **Back-end Technologies:** JAVA(JDBC).
- **Databases:**MYSQL.
- **Tools:**Github,VS Code,8086 Emulator,Flex,Canva,Chat Gpt,Gemini AI,Figma.
- **MS Office Suite:**MS Excel,MS Powerpoint,Ms word
- **Operating System:**windows,linux.

SOFT SKILLS-

- **Communication:** Ability to clearly convey ideas and listen effectively in both verbal and written forms.
- **Teamwork:** Collaborative mindset, working efficiently with others to achieve common goals.
- **Problem-solving:** Capacity to analyze issues and develop effective solutions under pressure.
- **Time management:** Skill in prioritizing tasks and managing time to meet deadlines efficiently.
- **Adaptability:** Flexibility in adjusting to new challenges, environments, and changes.

EXPERIENCE:

1.Frontend Developer | Oct 2023 - Nov 2023

CodSoft

- Developed frontend services using **HTML**, **CSS**, and **JavaScript**, implementing basic applications at a beginner level.

2.Frontend Developer | Dec 2022 -Jan 2023

Oasis Infobyte

- Developed a responsive **Landing Page for Tourism in India** utilizing **HTML**, **CSS**, and **JavaScript**. Implemented key web development tasks, improving front-end design and optimizing user experience.

PROJECTS :

1.Library management system (GROUP PROJECT)

Tools: **Java using JDBC connection**

- A full-featured project enabling librarians to register, authenticate, and manage their book information electronically according to student needs.

2.Student management system (GROUP PROJECT)

Tools: **PHP**

- Student management primarily deals with the data and progress of individual students, with the aim of customizing educational experiences to suit each student's requirements.

3. Spotify App Clone(INDIVIDUAL PROJECT)

Tools: **HTML,CSS,JAVASCRIPT**

- Developed a **Spotify-like music interface** using **HTML**, **CSS**, and **JavaScript**. Enabled users to browse music, view album covers, navigate playlists, and control the media player. Focused on front-end development without backend functionality.

4.Story teller(GROUP PROJECT)

Tools:**Python,Google Colab,Streamlit,Pytorch,Transformer’s Library,Pandas,Hugging Face (GPT-2),Datasets Library**

- A **storytelling project based on large language models** leverages the capabilities of AI to generate, adapt, and personalize stories dynamically. By using natural language processing (NLP) models like GPT, the project can create unique narratives, craft character-driven plots, and engage users in interactive storytelling.

5. Language Translation (INDIVIDUAL PROJECT)

Tools:**Python,Google Colab , Streamlit , Pytorch,Hugging Face Transformers(MarianMT model , MarianTokenizer,Helsinki-NLP model),Git,Ngrok**

- A **language translation project based on large language models** uses advanced AI to translate text between multiple languages with high accuracy. By training on vast multilingual datasets, the model learns context, grammar, and cultural nuances to provide seamless translations. This project can enable real-time communication, content localization, and support for diverse languages, enhancing global accessibility.

ACHIEVEMENTS:

- Certified in the **TECH SAKSHAM** program by **Microsoft**, enhancing proficiency in programming languages and technical skills..
- Internship completion certificate from **OASIS INFOBYTE**.
- Internship completion certificate from **CODSOFT**.
- Participation certificates from competitive exams of olympiads.
- Successfully completed the **Communication Skills learning program** conducted by **United Way of Hyderabad**.

HOBIES:

- 1.Dancing
- 2.playing badminton
- 3.singing
- 4.watching movies

Languages known:

- 1.English
- 2.Hindi
- 3.Marathi
4. Sanskrit
- 5.Telugu
